# *a winter* PET SAFETY GUIDE

Provide plenty of food and water.

Keep your pets indoors and warm.

Keep your pet on a leash.

Consider a coat or a sweater.

Clean your pet's paws after going outside.

Be careful around frozen lakes and streams.

If you must leave your pet outside, make sure the space is dry and well-insulated.

Never leave your pet in your car.

Happy Holidays from your friends at ProtectAmerica.com
