SUFFICIENT FOR REVIEW: Yes ( ) No ( )

- | <b>Yes</b> | <b>No</b> |                                                                                                                                                                                                                                                                                                                                             |
|------------|-----------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| ( )        | ( )       | 1. A general description of the proposed development and a brief assessment of its effect on the site, adjacent properties, the neighborhood and the Borough as a whole, including but not necessarily limited to effects upon the natural environment, land use patterns, traffic and circulation, visual factors, utilities and drainage. |
| ( )        | ( )       | 2. A key map showing location of tract to be considered in relation to the surrounding area, within at least 200 feet of the subject site.                                                                                                                                                                                                  |
| ( )        | ( )       | 3. Title block containing name of applicant and owner, preparer, lot and block numbers, date prepared and date of last amendment.                                                                                                                                                                                                           |
| ( )        | ( )       | 4. Scale of map, both written and graphic. The scale shall contain no more than 50 feet to the inch.                                                                                                                                                                                                                                        |
| ( )        | ( )       | 5. North arrow.                                                                                                                                                                                                                                                                                                                             |
| ( )        | ( )       | 6. Zoning district in which parcel is located, and the zone district of adjacent property, with a table indicating all setbacks, lot areas, lot widths, lot coverage, floor area ratios, and density, both as to required and proposed, for the subject property.                                                                           |
| ( )        | ( )       | 7. The location and width of any abutting streets, both right-of-way and pavement.                                                                                                                                                                                                                                                          |
| ( )        | ( )       | 8. The boundaries of the tract in question, with dimensions of same.                                                                                                                                                                                                                                                                        |
| ( )        | ( )       | 9. Location of existing easements or rights-of-way including power lines.                                                                                                                                                                                                                                                                   |
| ( )        | ( )       | 10. Contours to determine the natural drainage of the land. Intervals shall be: up to 10% slope - two feet; over 10% slope - five feet.                                                                                                                                                                                                     |
| ( )        | ( )       | 11. Location of natural features, including woodlands, streams and other water bodies, wetlands, flood hazard areas and rock outcrops, as well as locations of mining activity.                                                                                                                                                             |

FRANKLIN CODE

- ( ) ( ) 12. Location of existing buildings and their setbacks from property lines.
