Live **Buy. Eat. Shop.** LOCAL FRANKLIN LAKES

December is **Buy Eat Shop Live Local** Month in Franklin Lakes!!!

We need **our local businesses** to be part of this celebration of the benefits of supporting local shopping for goods and services.

“Strong local patronage helps to provide more attractive businesses, fills vacant space to make our Borough more vibrant, strengthens our tax base, and requires less resident travel, thus helping the environment.”

The **Buy Eat Shop Live Local Campaign** is sponsored by the Borough of Franklin Lakes. It is a comprehensive program for the promotion of the Borough’s local businesses.

The program’s biggest promotional event is **Buy Eat Shop Live Local** Month. Local businesses can participate in **Buy Eat Shop Live Local** Month by registering and providing a benefit to the community (*discounts, give-aways or other promotional offers*), which will be broadly and aggressively advertised by the Borough on its website, in its social media platforms and in paper mailings.

DON’T MISS OUT !!! (Must register by October 30)
