2019 Calendar Photo Competition

Wellness Theme

The winners of the 2019 Calendar Photo Competition are displayed on the front and back cover, and in the monthly pages of the calendar. All of the beautiful photos were taken by local photographers in Franklin Lakes. The theme of the Photo Competition for this year's calendar is "wellness", which can be defined as "the quality or state of being healthy in body and mind, especially as the result of deliberate effort." The photos in some way, depict wellness. The children and adults are involved in recreational activities, sports or passively enjoying our beautiful parks. As you go through 2019, think about what wellness steps you and your family can take to help you enjoy a happy and healthy year.
