FRANK BIVONA
Mayor

Dear Borough Residents and Businesses:

2022 is the Borough's Centennial year – 100 years since the Borough was formed! The 2022 calendar packet will give you a preview of the many events and activities to come this year. This packet contains the following special Centennial items:

- 2022 Borough Calendar – featuring a great collection of photos exhibiting the Borough's rich history;
- Centennial Postcard – listing and describing the Centennial big events – SAVE THE DATES;
- Speakeasy Party Invitation – the first of the big events, scheduled for March 19, 2022; and
- Centennial Magnet – honor our Centennial by proudly displaying the magnet on your car.

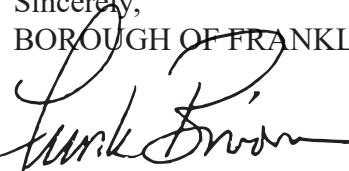

All of these pieces are sure to be collector's items. In addition, we have several pieces with lots of Borough information, including:

- Resident Handbook with Street Map – consummate “kitchen drawer” guide;
- Garbage and Recycling Pamphlet – all you need to know about garbage collection and recycling;
- Fire Department Flyer – have you considered volunteering for the fire service in Franklin Lakes?;
- Ambulance Corps Flyer – the Corps is always looking for service minded individuals;
- Tax Collection Flyer – describes all of the ways that you can make tax payments; and,
- Recreation Department Flyer – lists the Borough's Recreation programs.

There is so much more to come in 2022. Please join us in this year long celebration. To keep apprised of Centennial events, check out the new Centennial website – www.franklinlakescentennial.com, and make sure that you are registered for the Borough's e-blast (“Borough Happenings”) by clicking on “Join Our E-Blast List” on the homepage of the Borough's award winning website – www.franklinlakes.org.

As always, to effectively govern, we need your input and feedback. Come to Mayor and Council meetings (first & third Tuesdays of each month), call me (201-891-4000, X1203), email me (mayor@franklinlakes.org) or just stop by (down the left hallway on the first floor of Borough Hall).

Enjoy the calendar packet and have a happy holiday season and a healthy and happy new year!

Sincerely,
BOROUGH OF FRANKLIN LAKES
