

Municipal Court - As of December 2024

Traffic violations added - total

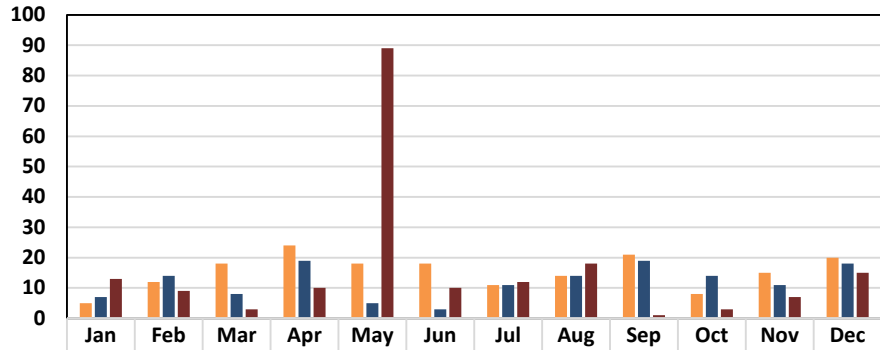

Traffic violations added - total: This is the number of tickets that are issued by the Franklin Lakes Police Department as well as the State Police (which is minimal).

Traffic violations disposed - total

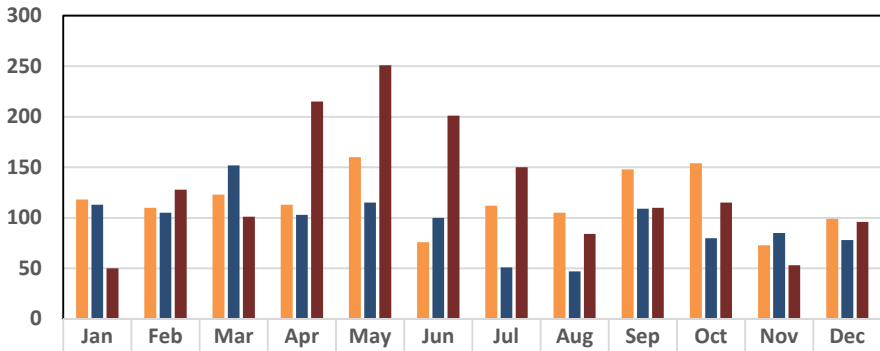

Traffic violations disposed - total: Includes the total of DWI, moving violations and parking violations adjudicated for the month either by court appearance or payment of ticket where applicable. Since CoVid-19, the state has issued a relaxation order so the courts could attempt to handle certain matters via Plea by Mail. The State released new guidelines for in-person court sessions. The court has begun to schedule in-person court sessions for specific traffic violations.

Total Criminal offenses added

Total Criminal and Indictable offenses added: This number includes charges of Indictable Offenses, Disorderly Persons Offenses, Petty Disorderly Persons Offenses and Borough Ordinances issued by Franklin Lakes Police, State Police and Borough Officers. In May there was an increase in the issuance of Borough Ordinance related to Pet Licensing. A special in-person court session has been scheduled for August 14th to address these cases.

Number of Cases Heard

Number of Cases Heard: Number of defendants appearing in regular court sessions. Some defendants may have one ticket and some may have several. This number only indicates the number of defendants that appeared at a court session per month. Typically we have two regular sessions per month and 2 special sessions. The court is now scheduling a virtual court session the 2nd Wednesday of the month with an in-person trial(s) to follow. The 4th Wednesday is now an in-person session with a trial(s) to follow.
