

Mad Libs- Quick Review

1. An ADJECTIVE describes something or somebody. Lumpy, soft, ugly, messy, and short are all adjectives.
2. An ADVERB tells how something is done. It usually modifies a verb (but sometimes an adjective or another adverb) and usually ends in "ly." Modestly, stupidly, greedily, carefully, and very are all adverbs.
3. A NOUN is the name of a person, place, thing or concept. Sidewalk, umbrella, bridle, bathtub, nose, and love are all nouns.
4. A VERB is an action word (or state). Run, pitch, jump, swim, and am are all verbs. Put the verbs in past tense if the directions say PAST TENSE. Ran, pitched, jumped, swam, and was are the same verbs in the past tense.
5. A PLACE can be any sort of place: a country, or city (Spain, Delta) or a room (bathroom, kitchen), or a location (zoo, racetrack)
6. An EXCLAMATION or SILLY WORD is any sort of funny sound, gasp, grunt, or outcry, like Wow!, Ouch!, Whomp!, Ick!, and Gadzooks!

Go Team Mad Libs

- Choose a word for each part of speech specified.
- Read the story on page 2 out loud, filling your words in the blanks.
 - Laugh and laugh some more.
