

# Franklin Lakes SAFETY TOWN PROGRAM

Presented By The Wyckoff Family YMCA

**July 7-17, 2025**  
at Franklin Lakes Community Center

**Safety Town is a program designed to teach children entering Kindergarten in September different strategies about safety at home and in their community.**

Our day is filled with fun activities that teach the children a number of safety practices. In addition, the children will learn about personal safety through a presentation by a police officer from the Franklin Lakes Police Department as they become aware of pedestrian, traffic safety, and stranger danger. Our town's community helpers - the Ambulance Corps and Fire Department - will educate the children about preventative strategies in fire safety and first aid. And a trip to the Wyckoff Y's Spring Lake to learn about water safety rounds out our safety curriculum. Snack will be provided and the program is held rain or shine.
