

REVERSE 911 SYSTEM

The Reverse 911 System will be activated if residents need to be notified of an emergency situation. The Reverse 911 system has the ability to notify residents at their home, cell phone, pager or e-mail. If you need to add additional phone numbers, you can complete the form below and return it to the police headquarters or e-mail Sgt. Carmine Pezzuti at cpezzuti@franklinlakes.org. Please register!!
